Constructor

Airbus Operations GmbH

Architect

PSP Architekten Ingenieure, Hamburg

Construction sum MEP

1. construction stage: Net 6.035.700 €
 2. construction stage: Net 7.374.450 €
 3. construction stage: Net 4.868.600 €

Gross storey area

1. construction stage: 26.415 m²
 2. construction stage: 17.826 m²
 3. construction stage: 10.626 m²

Technical trades

- Sewage, water, gas installations
- Fire protection installations
- Utilities supplying systems
- Heat-producing installations
- Ventilation installations
- Power engineering
- Telecommunication and data-processing installations
- Conveyor systems
- Building automation systems

Services according to Official Scale of Fees for Service by Architects and Engineers

- Establishing the basis of the project
- Preliminary design
- Final design
- Planning application
- Execution drawings
- Preparation of contract placement
- Assisting with contract placement
- Construction supervision
- Project management and documentation

Handling time

1. construction stage: 03/2004 bis 05/2006
 2. construction stage: 03/2008 bis 03/2012
 3. construction stage: 12/2011 bis 07/2014
